

Notes

This asset only works with the Universal Rendering Pipeline for now (URP). A guide to setting up URP can be found here <https://docs.unity3d.com/Packages/com.unity.render-pipelines.universal@7.1/manual/InstallURPIntoAProject.html>.

For any further questions feel free to contact me at!

Thanks for downloading my asset!

If this asset was helpful to you please remember to leave a review here
